WHAT WILL YOU DO IN GHANA?

stay in our guest house across the street from the ocean  
participate in workshops taught by African artisans  
learn: batik - tie & dye - adinkra - kente  
visit galleries - museums - outdoor markets - dealers in  
antique textiles - traditional crafts villages and  
study the African textile traditions in context of  
the culture

our vision is to place people from different life  
experiences in an environment where they can  
exchange ideas and find universal connections
